Date: _____

Company/Recipient: _____

Project Name: Parmer Ranch Off-Site Wastewater System Improvements

S&B Project No. and File path: 22223\Drawings\Sent\Construction\Project Bid

Recipient has requested computer disks, or electronic information containing certain project information in digital form prepared by Steger & Bizzell Engineering, Inc. ("Engineer"). These documents are to be used only by the Recipient for reference exclusively in connection with the above-referenced project; and are provided by Engineer solely as a convenience. Recipient agrees that the documents are instruments of service of Engineer and that all proprietary rights, including copyright, are retained by Engineer.

Engineer makes no representation regarding the accuracy or completeness of the information contained on the disks or in neither the electronic information provided, nor the suitability for the intended purpose. In addition, Recipient accepts responsibility for the consequences of any errors or inaccuracies that result from the conversion of information from the system and format used by Engineer to an alternate system, program, or format.

Recipient agrees that Engineer will not be responsible for the electronic information provided or for revisions to the documents or their use by any party for any purpose. In consideration of Engineer's agreement to deliver its instrument of professional service in machine readable form, the Recipient agrees, to the fullest extent permitted by law, to defend, hold harmless and indemnify Steger & Bizzell Engineering, Inc. and employees, officers, directors, attorneys, and agents from and against all claims, liabilities, losses, damages, and costs, including but not limited to reasonable attorneys' fees and court costs, arising out of or in any way connected with the modification, misinterpretation, misuse, or reuse by Recipient or others of the machine readable information and data provided by Steger & Bizzell Engineering, Inc. under this Agreement.

The use of the disks or electronic information or any information contained on them at any time will constitute the ongoing agreement to the terms of this Agreement.
